## SILENT AUCTION PROCEDURES

The Silent Auction will close at 7:00pm. The Chinese Auction will close at 7:00pm. Checkout will begin after *Birkat HaMazon* and conclude at 10pm. There will be no price slashing during the auction.

Winning bidders must pay in full for the purchased items with cash, check, Visa or MasterCard this evening, and take the item. If there are extenuating circumstances, arrangements for payment/pick-up must be made this evening with Melissa Lipschultz. Payment/pick-up at the school with Melissa Lipschultz must be complete by Wednesday, 2/24/10 at 11am or the item will be forfeited.

All items must be taken home by winners on night of auction. ICJA will not be responsible for removing or storing items.

Print your bid number and bid amount on the proper line of the bid sheet. The highest bid over the minimum bid at closing will be the winner. Print legibly.

A valid bid must exceed the previous bid by at least the increment amount stated on the each bid sheet and be legible. In the event of a dispute, a member from the auction committee will ask all parties involved to write a sealed bid specifying the highest amount he/she is willing to pay. The highest bidder will win.

Please note the date of sport and theatre tickets that you bid on. Some dates are within a few weeks from now. Please note expiration dates.

All sales are final.

ICJA makes no warranty as to the quality or value of the auction items. All items are sold in “as is” condition.

The winning bidder of a service shall contact the donor and arrange for the service. Gift certificates for all items not on display will be given to the winners at checkout. Contact information for items/tickets not yet available will be on gift certificates.

Items labeled “date to be determined (TBD)” will be decided upon by the donor as stated.

Because of printing deadlines, items submitted after the deadline date may not be described or listed in the catalog. Please visit the auction tables for more exciting auction items. All gift certificate expiration dates are either listed on item or will expire within one year of acquisition.

All disputes will be resolved by Melissa Lipschultz and the auction committee chair people at their sole discretion.
